**Regarding** : **AdBlue® Sublicense Document**

Dear Mr. Jakimenko,

The urea solution AUS-32 is known in the market under the AdBlue® brand protected by the Verband der Automobilindustrie e. V. and market by AdBlue® brand name.

According to the agreement between AB „Achema“ and VDA, paragraph 1.3. and all its subsidiaries are allowed to grant a sublicense to their contractual partners for the period of cooperation.

According to this document AB „Achema“ branch „Gaschema“ grants “Premium Kaubandus” OU (Astangu 21a-2, 13519 Tallin, Estonia), a sublicense for the period of cooperation. So “Premium Kaubandus” OU has a right to use the mark “AdBlue” to mark the modules, dispensers and marketing information.

Sincerely,

SC „ACHEMA“ BRANCH „GASCHEMA“
